QUESTION

Shall the Town of Bridgewater be allowed to exmpt from the provisions of proposition two and one-half, so- called, the amounts required to pay for the Town's allocable share of the bond issued by the Bristol-Plymouth Regional Vocational Technical School District to pay the costs of demolition of the current Bristol-Plymouth Vocational Technical School, 207 Hart Street, Taunton, MA 02780, and the construction of a new Bristol- Plymouth Vocational Technical School on the same site, including the payment of costs incidental or related thereto?

Explanation:

On March 5, 2022 voters approved the construction of the Bristol-Plymouth Regional Vocational Technical School. This ballot question deals with the payment of the Town's portion of the construction costs. A "yes" vote will allow the Town to pay its share of the new school by excluding the annual cost from the provisions of Prop 2 ½ . A "no" vote will require the Town to pay the cost through its general fund budget. It would force significant reduction of other municipal services.
