ANNUAL TOWN ELECTION MINUTES
CHATHAM COMMUNITY CENTER
702 MAIN STREET**

This Annual Town Election, called by the Board of Selectmen as required by law on a Warrant duly posted by Constable John Proudfoot on March 24, 2025, was held on Thursday, May 15, 2025, at the Chatham Community Center (702 Main Street). The polls opened at 7:00 a.m.

Assistant Town Clerk Amy Burrow and Warden Anita Doucette examined the ballot boxes, demonstrated the boxes were empty and showed the ballot counters to be registered at zero. Although I was assured by multiple state agencies that I was legally allowed to participate in this Election because I would be implementing and carrying out my statutory responsibilities I chose not to, as my husband, longtime Harbormaster Stuart F.X. Smith was on this ballot as a candidate for Select Board. We were fortunate to have seven (7) Town Clerks from the following towns rotate into the polling location through the day (each holding an approximately 2-hour stint) during Election Day to lend their support in my absence. These Town Clerks include Barnstable Town Clerk Ann Quirk, Brewster Town Clerk Colette Williams, Dennis Town Clerk Theresa Bunce, Eastham Town Clerk Linda Sassi, Orleans Town Clerk Kelly Darling, Wellfleet Town Clerk Jennifer Congel, and Yarmouth Town Clerk Mary Maslowski.

The Optical Scan Electronic Voting Systems operated throughout the day without incident. Inspectors Charleen Greenhalgh, Bette Hahner, Sandi Porter, Diane Rowlings, Dee Shippelhute, Jennifer Smith, Rachel Smith, Paula Wiseman, and Melanie Taylor all contributed to the success of this election.

The polls closed at 8:00 p.m. At the time of this Election there were 6,136 registered voters in Chatham, 1,565 ballots were cast (26%).

QUESTION ONE (1)

Debt Exclusion Wastewater Continuation Borrowing Authorization

Article 18

Shall the Town of Chatham be allowed to exempt from the limitations of proposition two and one-half, so-called, the amounts required to pay for the bonds issued for the purpose of paying costs of designing, renovating, and constructing various projects involving wastewater collection facilities and systems, including, but not limited to land acquisition costs, property damage claims, purchase of sewer grinder pumps, and facilities for surface water nutrient management, and for the payment of all other costs incidental and related thereto?

QUESTION TWO (2)

Non-Binding Public Opinion Advisory Question

To Cease Gaseous Discharge of Radioactively and Chemically Contaminated Industrial Wastewater in Cape Cod Bay

Whereas, Holtec, owner of the Pilgrim Nuclear Power Station in Plymouth, is discharging untreated radioactively and chemically contaminated industrial wastewater into the atmosphere; and,

Whereas, these airborne pollutants are being carried by prevailing winds over and into Cape Cod Bay and our communities; and,

Whereas, just as liquid discharge into Cape Cod Bay is in violation the Massachusetts Ocean Sanctuaries Act and other state laws, this gaseous discharge also violates the Ocean Sanctuaries Act and other state laws Holtec agreed to follow; and,

Whereas these airborne pollutants threaten public and environmental health and safety- including the safety of Holtec's own workers – and our marine-based economy;

Therefore, shall the people of the Town of Chatham direct the town government to communicate with Governor Maura Healey, Attorney General Andrea Campbell, the State Legislature, and all other relevant authorities to employ all means available to ensure that the law is enforced and to ensure further that Holtec immediately cease the gaseous discharge of the radioactively and chemically contaminated industrial wastewater at Pilgrim?
