This committee will be informed in its tasks by input from the public.

At the conclusion of its review, and no later than January 31, 2025, the committee will prepare a report to the Select Board and to the Town.”

The Moderator asked if there was any more discussion. Rebecca Haag was recognized and expressed support for the amendment and noted that a non-profit connected with the Town should have good governance practices and the CTAC does not appear to have those. Rebecca Haag advocated a review of the nonprofit so that the Town is not at further risk. There were further brief comments in support of the amendment. A voter was recognized and stated that the CTAC does have governance standards and that there has been a lot of outside pressure on the Board and this may be a reason for some recent Board member resignations. There was no more discussion. The Moderator stated that an Australian Ballot was petitioned for this Article. The Moderator asked if any petitioners present would retract their request for an Australian Ballot due to the fact that the vote is now a motion to withdraw Article 32 as presented and replace with the amendment. Town Counsel stated the Moderator is all powerful when it comes to Town Meeting and stated the Moderator may proceed without direction from anyone, but she may also entertain a withdrawal of the Australian Ballot petition from a petitioner. Michelle O’Connor was recognized and stated she signed the Australian Ballot petition and she would advocate the withdrawal of a request for an Australian Ballot. Town Counsel advised the Moderator that there is no need for a motion. The Moderator stated she would proceed with a voice vote. The Moderator brought the Article 32, as amended, to a vote.

QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2024?

SUMMARY

This proposed law would specify that the State auditor has the authority to audit the legislature.

A YES VOTE would specify that the State auditor has the authority to audit the legislature.

A NO VOTE would make no change in the law relative to the State Auditor’s authority.

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2024?

SUMMARY

This proposed law would eliminate the requirement that a student pass the Massachusetts Comprehensive Assessment System (MCAS) tests (or other statewide or district-wide assessments) in mathematics, science and technology, and English in order to receive a high school diploma. Instead, in order for a student to receive a high school diploma, the proposed law would require the student to complete coursework certified by the student’s district as demonstrating mastery of the competencies contained in the state academic standards in mathematics, science and technology, and English, as well as any additional areas determined by the Board of Elementary and Secondary Education.

QUESTION 5: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2024?

SUMMARY

The proposed law would gradually increase the minimum hourly wage an employer must pay a tipped worker, over the course of five years, on the following schedule:

- To 64% of the state minimum wage on January 1, 2025;
- To 73% of the state minimum wage on January 1, 2026;
- To 82% of the state minimum wage on January 1, 2027;
- To 91% of the state minimum wage on January 1, 2028; and
- To 100% of the state minimum wage on January 1, 2029

The proposed law would require employers to continue to pay tipped workers the difference between the state minimum wage and the total amount a tipped worker receives in hourly wages plus tips through the end of 2028. The proposed law would also permit employers to calculate this difference over the entire weekly or bi-weekly payroll period. The requirement to pay this difference would cease when the required hourly wage for tipped workers would become 100% of the state minimum wage on January 1, 2029.

Under the proposed law, if an employer pays its workers an hourly wage that is at least the state minimum wage, the employer would be permitted to administer a “tip pool” that combines all the tips given by customers to tipped workers and distributes them among all the workers, including non-tipped workers.

A YES VOTE would increase the minimum hourly wage an employer must pay a tipped worker to the full state minimum wage implemented over five years, at which point employers could pool all tips and distribute them to all non-management workers.

A NO VOTE would make no change in the law governing tip pooling or the minimum wage for tipped workers.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said voting.

Given under our hands this 1st day of October, 2024.
