

appointed a new working assessor, Edna Holloway was appointed interim town clerk, Karen Harper was hired as the new Assistant Clerk, and Wendy Graves was hired as the treasurer/tax collector, Tina Lindsey was appointed animal inspector, Peter Clifford joined the Zoning Board, Chris Madirosian and Edna Holloway were appointed registrars, the Library Trustees appointed Lauren Konstantin as Librarian when Samantha Bodine submitted her resignation.

As usual the budget season arrived in early January. This year the work went very smoothly through the beginning of May. In fact, an early Annual Town Meeting was planned for June 3, 2024, just after the annual town election. There were 2 candidates for the position of selectman. Aaron Langlois ran for re-election and Michael Brunelle ran as a write-in candidate. This was the only contest on the ballot. Michael Brunelle won the seat by 17 votes. Aaron filed for a recount since this vote was so close and there were some questions on the use of stickers for the write-in. Michael was declared the winner following the recount.

As the year was winding down three we noted that there were three outstanding area that still need to be addressed or completed: the Finance Committee does not have enough members for a quorum for the incoming fiscal year, the roads of Long View Estates are not yet ready to be accepted as town roads and the future of the Town Hall is still in question and will be for the foreseeable future.

Respectfully submitted,

Donald Haapakoski, Chairman

Lucy Tessnau, Vice-Chair

Aaron Langlois, Clerk

Republican State Committee Woman
