## **Mootilda**

The Town of Sturbridge made a submission into the Cow Parade sponsored by Old Sturbridge Village.

I got my inspiration for the idea looking at our Town's rich history and included an artist statement which explained that this artistic venture was a creative way of sharing Sturbridge's story in the most visual way and sent it off to OSV.

The staff was very excited to learn that our submission was chosen! All Town employees and Committee members were encouraged to get involved. Many of which jumped onboard hoping to really make this a great submission. There was drawing held to name our cow, and the winner with Mootilda is credited to our Finance Director Barbara Barry.

Then came the scurry of going through various archives to make sure we had a nice, varied selection of historic images to dress Mootilda. Once images were collected, Jean Bubon and her connections to Arthur Braniff our "Vinyl expert" really got the project moving ahead. Barbara Barry came through for us again by guiding us in finding a source of funding for us to finance the supplies needed. Thankfully Terry Masterson and the STA committee came through for us.

Due to the artistic hand of Town Clerk Assistant Sheila O'Connell, the finishing touches really completed Mootilda's look!

This has really been a team effort, made more personal and meaningful by the efforts of all the employees, board and committee members who were able to make some time to add their unique touches to it.
