The Boy Scouts brought in the colors and the Girl Scouts and Brownies lead the Pledge of Allegiance. The Star Spangled Banner was sung by Skye Fortier. The Moderator asked that everyone please join him in a moment of silence for all the Town Officials, Town Employees and Town Honorees that we have lost since the last time we met; Bruce L. Congressman Stephen Lynch spoke. The final amount of federal funding for the town was 1.14 million from the Federal CARES Act for health impact of the pandemic. Also 1.3 million from the Federal American Rescue Plan Act to replace lost tax revenue from the pandemic. There is also still funding from the American Rescue plan and Massachusetts is getting 60% of funding so West Bridgewater may get some. The Bipartisan Infrastructure bill passed and it is 1.2 trillion nationwide. 3.7 billion is coming to MA and another 5 billion in the coming years. We have some of the oldest bridges in the country. 472 bridges that are structurally deficient. We also received 1 billion for public transportation and 1.3 billion for water infrastructure. The most pressing is the raising of debt limit for the obligation we already have. Like Social Security, Healthcare through Medicare etc. and Veterans VA HealthCare. I am grateful for the opportunity to represent West Bridgewater. Thank you for attending town meeting. West Bridgewater is a shining example of what's best about America. I see how you care for Children, Seniors and Veterans.

Senator Walter Timilty spoke. It is a privilege to work for you and I will never forget that. We are in the middle of Budget season the Governor proposed a budget of 55.7 billion.
